

## The Carbon Literate Organisation (CLO) Journey

Bronze-level CLO is achieved when an **organisation's leader or Board member** has completed an accredited Carbon Literacy training and becomes certified

Silver-level CLO is achieved when:

- ✓ A **substantial % of your workforce** is certified Carbon Literate
- ✓ Carbon Literacy is integrated into **performance** management
- ✓ You have **visually promoted** your organisation's Carbon Literacy
- ✓ You publish a **one-page case study** on Carbon Literacy in your organisation

Gold-level CLO is achieved when:

- ✓ The **majority of your workforce** is certified Carbon Literate
- ✓ You complete **2 Actions** from the CLO Actions List

Platinum-level CLO is achieved when:

- ✓ You complete **a further 2 Actions** from the CLO Actions List
- ✓ **Over 80% of your workforce** is Carbon Literate

### The CLO Actions List:

Collaborate with another CLO

Develop Carbon Literacy materials with another organisation for use outside the organisation

Develop a cost-benefit case study

Promote Carbon Literacy

Sponsor Carbon Literacy for another group

Deliver Carbon Literacy to another organisation
